ANNUAL COMMUNITY CLEANUP DAY 2019

Neighborhood Crime Watch is partnering with the Chamber of Commerce for their annual cleanup day. Unfortunately as you walk or drive around town, you will see much litter that has accumulated along roads and in parks and playgrounds and on beaches. We can all help every day by policing our own streets as you take a walk. However the annual event is targeted for a spring cleanup in honor of Earth Day. Several hundred people working for two and a half hours can make a tremendous impact. The free lunch is a good time to meet and congratulate some students from the National Honor Society of D-Y High School.

We have asked our Neighborhood Crime Watch Block Captains to get their blocks involved in this tremendous effort. However, the response so far has been underwhelming. Spring is a great time to reinvigorate your block and get out and talk to your members. Block Captains are asked to poll their block and let their Area Captain know how many are coming from their block. We will take care of registering the NCW blocks with the Chamber. If you haven't been contacted by your block captain, or don't know who your block captain is, you can check on our web site. On this page, you can enter your address and find out who your Block and Area Captains are and can contact them.

If you aren't in a block, use this page to contact us and we will get back to you on how to start one in your neighborhood. Being a block captain is a rewarding experience and not a lot of work. Spring, when everyone is out doing yard work, is a great time to meet your neighbors and tell them about Neighborhood Crime Watch.

If you are a CAT subscriber and not in a block, you can join us too for the Cleanup Day, just send an email to info@yncw.org.

Let's show that Neighborhood Crime Watch has pride in our community! If you haven't signed up yet, please do so ASAP— see the details below. Feel free to contact any of our Area Captains:
