In the summer of the Corona virus, our usual plans need to be modified as follows:

Event will be outdoors on the side lawn, and behind the clubhouse (near the patio under the deck).
In the event or rain or other bad weather, pick up your dinner at the clubhouse and take it home.

Bring your own beach chair and drinks. Family groups will sit together.

We will practice social distancing (6 ft.) between groups, and while waiting in line for your lobster rolls.

Servers will wear masks and gloves.

Members should wear face covering when not able to practice social distancing and when in line to pick up lobster rolls.

Bathrooms will not be available.
